We Are Boston

Throughout history, Boston has been a destination of immigrants who come here for many different reasons. We join to affirm the diverse communities in every age, from every nation, that make up Boston's essential identity as a community of immigrants. Pride in our role as a gateway to the American dream and our historical commitment to freedom and justice will fuel this evening of multicultural performance, cuisine, and celebration. New and old Bostonians alike will come together to recognize the remarkable and diverse talents that have made immigrants so integral to the fabric of our city.

Funds raised at the We Are Boston Awards dinner will support the City's English for New Bostonians project, a city-private-community partnership.

New Bostonians Leadership Awards

Please join us for an extraordinary evening as we honor United States Senator Edward M. Kennedy and other leaders with the presentation of the 2006 New Bostonians Leadership Awards.
